Important to know

This furniture must be secured to the wall with the enclosed wall anchoring device.

Different wall materials require different types of fasteners. Use fasteners suitable for the walls in your home.

Two people are needed to assemble this furniture.

The frame can be assembled in an upright position if your ceiling height is a minimum of 79½". Follow the assembly instructions in the package.

If you want to complete your PAX frame with a sliding door, the minimum ceiling height required is 80¾".
